AQUALATCH®

MAGNETIC LATCH

Whether you have a residential pool, commercial property, or community space, the AquaLatch® is a versatile solution for various gate types. Its adaptability makes it an ideal choice for a wide range of settings.

The AquaLatch® is equipped with a secure, magnetic latching mechanism. Your safety and the security of your property are our top priorities. The latch provides a peace of mind, keeping your gates firmly closed and your little ones protected. Backed by our million cycle warranty.

- Angled keyhole offers debris and water protection
- Beautiful, modern design
- Multi-directional leveling for misaligned gates
- Excellent horizontal and vertical adjustability
- Fits right or left handed gates
- Industry leading warranty

The AquaLatch® is the only pool latch with Safe-Alert®! A visible red alert area under the release knob appears any time the latch is not engaged.
